

TEN YEAR WARRANTY

BEST BATTERY WARRANTY IN INDUSTRY!

1,000,000 Cycles Or Ten Years Limited Lifetime Warranty

Lithium Ion Technologies offers a Limited Lifetime Warranty on our line of Lithium Ion Batteries that guarantees it to be free of manufacturer defects. Below is the information on how our warranty works!

If your battery has disconnected it will be necessary to charge the battery before using it again. In some cases your charger may not turn the battery on. Please contact us and we will guide you through the steps necessary to wake it up. In the unlikely event that your battery cannot be woken up, we will arrange to get it back to our laboratory in Tampa, Florida to assess the battery and determine cause of failure and see if it is repairable. If the battery is repairable it will be repaired at no cost and returned to you with a certified letter. If it is not repairable and the issue was caused by a manufacturer defect, we will replace the battery at no cost within the first 5 years. After 5 years we will repair your battery at no cost to you if the battery is repairable. In the unlikely event it is not repairable we will pro rate the cost of a new replacement battery for you at 35% off the cost of a new one.

Warranty's are non transferrable and stay with the original purchaser of our products. Lithium Ion Technologies is an approved hazmat shipper and is permitted to ship Lithium Ion Batteries. All of our products are delivered in packaging that meets or exceeds federal and international standards for shipping Lithium Ion Batteries.
